

## **ENJOY SENSITIVE LUXE**

## **Evaporation System**

The Enjoy Sensitive, proposed in two versions, is a mobile perfume diffuser both practical and easy to carry. This essential oils diffuser in a column casing is equipped with a hi-tech evaporation system. Enjoy Sensitive covers up to 300m3 - ideal for personalizing a small or medium-sized space.

The painted metal casing comes in brilliant silver, dark silver, white and black, to co-ordinate with a variety of interior decoration styles.
